Mr. Mego actually did a sketch of what he would like to see: A new Civic Center with a park like setting in front so the employees have some place nice to have lunch, relax and read a book. Discussion followed. Please see attached copies.

Cindy Parsons – 5428 W. 140th Street - Is it possible to have a reservation system for the Tennis Courts at Holly Glen Park?

Assistant Director Hardison replied, we use to have a reservation system for all of our tennis courts but we can look into it we can also block out additional times for participants in Norb Huber's classes to practice before and after class.

Cindy Parsons asked about the old Police property becoming parkland.

Commissioner Ostensen said we would have to look into that.

Commissioners Comments

Commissioner Bowie – Apologizes for not attending the visit to camp and he apologizes because he had to leave early to attend another meeting.

Commissioner Balboa – Willing to help with the Parade. Can also help with the Halloween from 4-6 pm. Thanked Gordon for his presentation.

Commissioner Morton – Would like copies of the lasted City Plans.

Commissioner Hughes – Would like to help with Halloween Carnival and the Parade.

Commissioner McGregor – Will check his schedule and get with us to see if he is available for any special activities.

Commissioner Ostensen – Is there a better way of reaching the out to the public. Can we come up with a survey on what is wanted in the community (ex: soccer fields, additional parks)? The public can fill out with information and return it to the office or the contract instructor.

Assistant Director Hardison replied, we could create a survey and put it into the brochure that is mailed out to the residents of Hawthorne. The commission would have to decide what question they would like to see on the survey.

The meeting was adjourned by Chairman Ostensen @ 7:00 PM. The next scheduled meeting is Tuesday October 2, 2006 @ 6:00 PM at the City Council Chambers of Hawthorne City Hall.

Minutes respectfully submitted by,
Kywanna Bowie
